

# TCI Network

Published: 18.05.2018.

TCI Network is the leading global network of main organizations and practitioners with deep expertise in clusters and competitiveness, who collaborate in a unique open, flexible and practical context to advance in the practice of competitiveness, innovation and cluster development.

Through its activities, TCI reaches out to 9,000 practitioners from development agencies, government departments, cluster organizations, academic institutions, companies and multilateral organizations in over 110 countries. Founded in 1998, TCI is a nonprofit, non-governmental organization with a global scope, open to members from all continents.

Mission of TCI Network - support the effective use of cluster-based economic development approaches as tools to raise the competitiveness and innovative capacity of firms, cities, regions and countries.

Vision of TCI Network - be the leading global network of professionals and organizations active in cluster-based economic development.
