

# Legislation

Published: 09.10.2020.

Latvian tourism policy is based on several regulatory enactments which are improved on a regular basis.

Latvia aims to increase the competitiveness of Latvian tourism supply that meets the criteria of sustainable tourism product development, encourages international competitiveness, reduces seasonality and extends the length of stay.

The tourism product therefore has to be sustainable, it has to offer innovative solutions, be export oriented with high quality and high level of tourist involvement, and with high added value.
