## **MAIN REQUIREMENTS FOR ECONOMIC OPERATORS**

In order to receive a biocide inventory number, a legal entity that manufactures, supplies or imports biocides into Latvia must submit an application to the Latvian Centre for Environment, Geology and Meteorology with the following information:

1. Information about the applicant (name, registration number in the Commercial Register of the Republic of Latvia, VAT payer number, legal address and address (if different), contact information);
2. Person responsible for the information submitted (position, first name, surname, telephone number, e-mail address);
3. Name and address of the manufacturer;
4. Information about the distributor(s), if the applicant is registered outside Latvia (name, address, contact information);
5. Trade name(s) of the biocide;

6. Information about the active substance (name, CAS and/or EC number, concentration);
7. Category(ies) of use of the biocide in accordance with Annex V to Regulation No. 528/2012;
8. Model of the biocidal product label in Latvian in accordance with Article 69 of Regulation (EC) No 528/2012 and Regulation (EC) No 1272/2008;
9. Instructions in Latvian;
10. Safety data sheet in Latvian in accordance with Regulation (EU) No 1907/2006.

Taking into account the requirements of Article 95 of Regulation No 528/2012, the applicant shall submit a declaration or a letter of confirmation of the fulfilment of his obligations in accordance with Article 95 of Regulation No 528/2012.

The biocidal product packaging label shall indicate the biocidal product inventory number assigned by the Latvian Centre for Environment, Geology and Meteorology.
