MAIN REQUIREMENTS FOR ECONOMIC OPERATORS

In order to receive an inventory number for biocidal product a legal person, who supplies or imports biocidal products into Latvia, needs to submit to the Latvian Environment, Geology and Meteorology Centre an application with the following information:

1. Information on applicant (name, registration number in the Register of Commerce of the Republic of Latvia, VAT number, juridical address and address (if different), contact details)
2. Person responsible for the information submitted (position, first name, surname, phone, e-mail address)
3. Name and address of producer
4. Information on distributor(-s) if applicant is registered outside Latvia (name, address, contact details)
5. Trade name(-s) of biocidal product
6. Information on active substance (name, CAS and/or EC number, concentration)
7. Use category(-ies) for biocidal product in accordance with the Annex V of the Regulation No 528/2012
8. Example of biocidal product label in Latvian in accordance with Article 69 of the Regulation No 528/2012 and Regulation (EC) No 1272/2008
9. Instruction in Latvian
10. Safety data sheet in Latvian in accordance with Regulation (EU) No 1907/2006.

Considering requirements of Article 95 of the Regulation No 528/2012, applicant shall submit declaration or confirmation letter on compliance of their obligations under Article 95 of Regulation No 528/2012.

The inventory number of a biocidal product assigned by the Latvian Environment, Geology and Meteorology Centre shall be indicated on the packaging label of the biocidal product.

PUBLICLY AVAILABLE INFORMATION ON BIOCIDAL PRODUCTS

The list of biocidal products, which have been granted the inventory number, is published on webpage of the [Latvian Environment, Geology and Meteorology Centre](#)
