MAIN REQUIREMENTS FOR ECONOMIC OPERATORS

1. According to Annex 2 to Regulation No 519 special markings of the deposit system shall be placed on a single use or reusable deposit packaging or label by a deposit packer who has a contract with the deposit system operator regarding participation in the deposit system. The corresponding marking, demonstrating the application of the deposit system, shall be placed on the relevant type of packaging only for the packaging of beverages referred to in Annex 1 to Regulation No 519.

2. The right of intellectual property to the special markings of the deposit system shall belong to the deposit system operator.

The special marking attesting the application of the deposit system to the single use packaging, and the special marking attesting the application of the deposit system to the reusable packaging shall be as set out in Annex 2 to Regulation No 519:
