

# FERTILISERS AND SUBSTRATES (CONFORMITY ASSESSMENT AND LABELLING REQUIREMENTS)

## **SCOPE**

Identification and quality requirements for fertilisers and substrates (excluding EC fertilisers and mutual recognized fertilisers and substrates), as well as conditions and procedures for registration of fertilisers and substrates and for the notification of mutually recognized fertilizers and substrates and requirements for the labelling, marking and marketing of registered fertilizers and substrates.

## **LATVIAN REGULATIONS**

Cabinet Regulation No. 506, adopted September 1, 2015 "[Regulations Regarding the Identification, Quality Conformity Assessment and Sale of Fertilisers and Substrates](#)"

## **PRIOR AUTHORISATION**

Fertilisers (excluding EC fertilisers) and substrates are subject to prior authorisation (registration or notification). Before placing a fertiliser and a substrate on the market, the manufacturer or importer must register or notify (applies to fertilisers or substrates lawfully marketed in the European Economic Area or in Turkey) it. Competent authority responsible for prior authorisation is the State Plant Protection Service (+371 67550920, e-mail: [pasts@vaad.gov.lv](mailto:pasts@vaad.gov.lv)).
